

ATTENTION CUSTOMERS OF THE HIGH VALLEYS WATER DISTRICT

On Wednesday, June 20th, 2018, the Board of Director's voted to approve the new commercial rate, which will go into effect on July 1st, 2018.

Per Resolution No. 283; Exhibit A:

A commercial rate is defined as an account which a customer is making a profit, intends to make a profit, or growing/producing a product that relies on the High Valleys Water District's water consumption.

The District's commercial rate shall now be the following:

- The monthly base rate for a commercial account is \$56.00 for 0-1,000 cubic feet of usage.
- The over base rate for a commercial account is \$0.0764 per additional cubic foot of usage over 1,000 cubic feet.
- A mandatory deposit of \$500.00 is required for ¾" meters.
- A mandatory deposit of \$800.00 is required for 1" meters.
- Meters larger than 1" must be approved by the General Manager prior to installation and the deposit will be determined at the time of service initiation.

The District's residential rates shall remain the same. These rates are:

- The monthly base rate for a residential account is \$56.00 for 0-1,000 cubic feet of usage.
- The over base rate for a residential account is \$0.0464 per additional cubic foot of usage over 1,000 cubic feet.
- Mandatory Deposit of \$112.00 is required for ¾" meters.
- Meters larger than ¾" must be approved by the General Manager prior to installation and the deposit will be determined at the time of service initiation.

If you have any questions, please contact the office during regular business hours (M-Th;8a-3p) at 951-849-2612. You may also contact the General Manager, Curtis "Stan" Houghton, directly at 951-675-8200 or shoughton@highvalleyswater.com
